ALL-COUNTY LETTER 74-7

TO: ALL COUNTY WELFARE DIRECTORS

The State Department of Social Welfare, through the Chief Referee's Office, has received several requests from counties for training in the field of fair hearings. Experienced members of his staff may be available to provide training for any county or group of counties' staffs concerned with regulations, or other aspects of fair hearing policies and procedures.

To assist us in determining the extent and scope of interest in fair hearing training, please fill out the attached form and return to us by January 30, 1974. If sufficient interest exists and DSW staff is available, County Training Bureau will plan and schedule workshops based on this information.

Sincerely,

Michael D. McIntyre, Chief
County Training Bureau
